English - Conversational

Hindi - Native

Profile

Courteous and enthusistic, I am in IT and everything in its orbit. I recently began to be fascinated by web development, started **self teaching web development languages**. I gained experience of working in this area by some **minor projects**.

As this area complements my studies, I am keen to gain more experience in the field. I am therefore currently looking for an internship as a front-end developer.

Experience

ACM, Thapar University

Front-end developer & UX UI Designer
2022

Team member of ACM thapar.

OWASP , Thapar University
